You’re Invited to a Community Conversation on Lakes

Join your neighbors in a conversation about Pickerel, Rogers, Sunfish and Thompson Lakes.

Come to learn about the water quality study happening on these lakes and the results of a survey of residents near the lakes. Then participate in small groups to share your thoughts about the lakes, tell historical anecdotes, and discuss your vision for future lake conditions.

This event is sponsored by the Lower Mississippi River Watershed Management Organization with grant funding from the Clean Water Land and Legacy Amendment. For more information on this event or the water quality study, visit www.dakotaswcd.org/watersheds/lowermisswmo/wrapp.html or contact Laura Jester at laura.jester@co.dakota.mn.us or 651-480-7784.
